

Intent to Return 2020-2021

Dear Parents/Guardians:

Each year at this time we begin to assess enrollment figures and prepare for the upcoming school year. It is very important that you respond to this form so that your student has a secure spot at MRA, and so that we can accurately determine our enrollment for the fall and develop a proper budget. Please complete this form to let us know if your student(s) will be returning to MRA for the 2020-2021 school year.

By initialing section #1 below you are confirming your intent to return. If you do not plan for your student(s) to return please complete section #2 below. If you have a graduating 8th grader, please complete section #2 so that we know which high school he or she will be attending in the fall.

Please return this document to the MRA office no later than **March 2nd**.

Thank you,
Deanna Marlatt
